MONEY SMART

SEMINARS | WORKSHOPS | TRAINING

Money Smart provides a comprehensive, age appropriate, program for students to build an understanding of key financial concepts. The program is broken into four different curricula based on competency levels and further into beginner to advanced levels to support learning.

Middle School | **High School** | **College** | **Young Adult**

Course Features and Program Benefits

Each lesson promotes real-world connections through student-centered learning experiences and aligns to the Common Core State Standards in Mathematics and English Language Arts.

Students Guides with handouts, worksheets, and resources allow students to explore the topics covered in each lesson and apply their new knowledge

Each course comes with presentation sldes,challenge exercises, and reflective prompts to support the activitie in each lesson, as well as fill-in charts to support the activities in each lesson

Parent/Caregiver Guides are complete with information about topics being covered in class, conversation starters, online and literary sources, and family activities to try together.

Ages are broken up into four levels; grades 6-8, grades 9-12, ages 18-20 and for those in college, and finally young adults.

The Money Smart Portfolio is a semester-long project that collects student handouts and activities from each lesson to be presented as a final portfolio.
